

Digital administrative files to be prepared in pdf or jpeg format

- A passport that is less than 10 years old and is valid for at least 3 months beyond the date of departure
- A driving licence if you intend to drive during your stay Un visa si votre nationalité l'exige
- Certificate from your social welfare agency if you are concerned
- Reliable Health fund / insurance certificate of commitment to cover costs
- In case you would be accompanied, remind to scan his passport and driving licence

List of common documents required to obtain « a short stay » visa for medical purposes:

- Proof of return (transport ticket)
- A certificate of appropriate and valid medical travel and repatriation insurance coverage
- A proof of accomodation in France
- A written agreement from the clinic for your admission stipulating the date and duration of your treatment (provided in My Medical Suitcase)
- A document certifying your ability to meet current expenses in France

Your Visa request must be addressed to the French Embassy or Consulate in your country of residence. Other specific documents could be requested.

The process is exactly the same for the person who would accompany you.
